Implementation Report

Short Courses Training Program

Course Category: Short Courses (03 days duration)
Target Beneficiaries: 100 women of UC Dher Umaid Ali, District Mianwali

The Skills Development Centers established by HHRD country wide are working to train 150 women annually in courses like dress making, hand embroidery and local traditional skills. The Vision of “**Aik Ghar Aik Hunar** (one home one skill)” is based on the idea that

HHRD will train at least one woman from each household in adopted union council. In persuading this vision HHRD has launched “village based short courses training program” to target the women of those villages in adopted UC, which were not in the approach of SDC activities. A pilot phase has successfully been completed in UC Dher Umaid Ali district Mianwali this week making 100 women trained in less competitive skills for home based income generation like Candle Making, Flower Making, Tie & dye and Fabric Painting.

#	Villages	Course Name	Course Duration	Group size
1	Dera Nawaz Wala	Candle Making	3 days	20
2	Dera Nazam Wala	Fabric Painting	3 days	20
3	Shami Wala	Flower Making	3 days	20
4	Dera Mohd Wala	Tie & Die	3 days	20
5	Rustam Wala	Candle Making	3 days	20

Enterprise development team implemented this program of “*Aik Ghar Aik Hunar*” with coordination of SDC vocational trainer. HHRD hired 05 master trainers from adopted UC selecting one trainer from each village. Enterprise Development Officer provided them two days training on short courses at the venue of SDC Mianwali. Later on each master trainer organized 20 women in her own village and imparted a three days training. HHRD provided these free of cost trainings, tools and training material to achieve the objective of sustainable livelihood without allowing the poverty factor to be a hurdle in women empowerment.
