**TOGETHER, WE ARE EMPOWERING LIVES

STRENGTHENING THE BOND OF HUMANITY**

A Message from Our CEO

Javaid Siddiqi

Assalaamu Alaykum
(peace be on to you),

Over the past several weeks the pandemic of COVID-19 has changed the lives of billions of people around the world. Never in our lives have we experienced a challenge of this magnitude. Today, as I reflect on the year 2019 and plan for the future I must say: "Alhamdulillah".

This includes reflecting on "Why is Allah (swt) putting us through this trial?" and "What lessons can we learn through this crisis?" I am truly humbled and grateful to Allah (swt) for choosing us to help and serve our brothers and sisters around the world. I make dua to Allah (swt) to include us among those about whom the Prophet (peace be upon

him) said, "Allah helps His slave as long as he helps his brother." (Muslim) This Hadith gives us the recipe for success for all times. It gives the message of hope for all those who are engaged in helping humanity.

The fact that each and every one of you have been a "dreamer" for a world free from hunger and poverty has been instrumental in allowing Helping Hand to bring dignity and livelihood for millions of people around the world. This gives me hope in the mercy of Allah for humanity at this time of extreme humility and need. We at Helping Hand are grateful for your support and ask Allah (swt), the Merciful to keep you and your loved ones safe from any calamity.

The 2019 report is here for your kind review. We are committed to extending a Helping Hand to our brothers and sisters in need around the world and hope you will continue to be our partner this journey of service to humanity for the pleasure of Allah.

Sincerely,

Javaid Siddiqi
CEO, Helping Hand for Relief and Development

HHRD WORLDWIDE PROGRAMS: AN INTEGRATED APPROACH

Orphan Support Program:

HHRD sponsored children receive school tuition, supplies, pocket money, annual medical screenings, and character-building psychological support. Sponsoring donors receive educational progress reports, medical reports and the opportunity to correspond with their orphan(s) upon request.

Children with Disabilities Program:

This program aims to highlight the plight of children with special needs and bring them to the forefront through inclusive education and social participation. They receive medical checkups, physiotherapy, speech therapy and psychotherapy sessions along with prosthetics, orthotics, and hearing and mobility aids (as needed). Sponsored disabled children come from the 5 major districts of Pakistan which include: Mansehra, Lower Dir, Chakwal, Nawabshah, & Quetta.

Health Care Program:

Social conditions prevent lifesaving services from reaching those who need it most. The lower one's socio-economic status, the higher the risk of poor health. HHRD has partnered with WHO, and other agencies, to provide much needed medical services through our programs which include Mother-Child Health Centers, Mobile Medical Units/Ambulance Services, Cataract Eye Surgeries, Medical Trainings and with support of government health facilities in Africa, Bangladesh, Jordan, Nepal, and Pakistan.

Education Support Program:

HHRD promotes literacy and strengthens the education system by providing easier access to quality education in remote areas for the next generation. This program helps communities through scholarship programs, and supporting children by providing school supplies, stipends, tutoring lessons and home visits. HHRD offers this program in Pakistan, Somalia School of Excellence and for Syrian Refugees in Jordan and Lebanon.

In Kind Gifts Program:

In-Kind Gifts are donated goods and services, rather than monetary donations. HHRD regional offices conduct local In-Kind Gift drives where donated items are collected in warehouses across the USA. Volunteers come sort, pack, and inventory the donation items. Boxed donations are then loaded onto 40-foot shipping containers which are shipped to their destinations. We strive to maintain beneficiary dignity and respect, by sending ONLY quality In-Kind gifts.

Water For Life, Sanitation and Hygiene Program:

HHRD's water and sanitation programs help people gain access to clean water for daily consumption and irrigation purposes through the construction and rehabilitation of water supply schemes. Water for Life is tailored towards supporting poor, drought affected, displaced people, and host communities by providing access to clean drinking water through the construction of shallow wells. Through our Water Sanitation and Hygiene program, the distribution of soaps and hygiene kits in areas of natural disasters such as floods and earthquakes, help combat the spread of water-borne diseases. Children are taught hygiene skills and are given proper instruction on how they can keep themselves healthy.

Skills Development Program:

Developing skills can reduce unemployment, raise wages, and boost living standards. This program helps to develop a sustainable means of livelihood through vocational trainings at our Skills Development Centers, Industrial Homes, and Institutes of Industrial Technical Education. HHRD currently provides artisan and technological training to men and women in 6 countries.

Seasonal Program:

This global program allows families facing hardship the opportunity to enjoy the celebrations of Eid-ul-Fitr and Eid-ul-Adha. Through Ramadan food packages, gifts on Eid-ul-Fitr and meat on Eid-ul-Adha, these holidays become a bit more special. Moreover, families in need are provided warm clothing and supplies from HHRD's Winter Provisions Program and are provided nourishing meals through the Aqeeqah program.

Youth Empowerment Program:

To foster a new wave of humanitarians, social activists and philanthropists, HHRD provides immersion and internship opportunities to youth from across the country. HHRD has 4 major programs (Summer Internship, Youth for Jordan, Youth for Africa, and Youth for Pakistan) that allow youth "behind-the-scenes" access to field experiences showcasing the true nature of humanitarian work with internships and humanitarian relief trips.

Matching Gift **PROGRAM:**

Many corporations match employee donations to our organization, thereby allowing us to double the amount of support we can offer. If you volunteer with us, your employer may also provide us with a Volunteer Time Match grant---another way to recognize your ongoing support! Companies prefer transparency, so matching donation requests must be initiated by the donor/volunteer. You can do this by completing a donation match form provided by your employer, or through an electronic submission process.
